## REPORT OF SCHOOL BOARD

---

TO THE CITIZENS AND PARENTS IN THE TOWN OF ALEX-  
ANDRIA : —

As usual in recent years, there have been thirty weeks of school the past year. Seven of our nine schools have been open for the two full terms. There has been no school in Districts No. 3 and No. 8, but at the present time it looks as if it may be necessary to start school in District No. 8 this spring term, as several families with children have recently moved into this district.

The total number of scholars in our schools was about the same as last year.

More new text books were purchased during the year, and our equipment in this respect is being much improved.

Because of the destruction of the old Town Hall by fire, we allowed the use of the school house in District No. 5 for town meetings and for the meetings of the several societies until the new hall was built and ready to use.

Respectfully submitted,

HOWARD F. WALLIS,	}	Members of School Board

## ANNUAL REPORT OF HAYNES LIBRARY ASSOCIATION

---

Once again we are called to submit the annual report of the Trustees of the Library, together with the reports of the Treasurer and Librarian.

During the past year electric lights have been put in the Library Building, the wood work, both outside and inside, has been painted and varnished, and the walls tinted. This makes a great improvement, both in looks and convenience. The cost will be found in the Treasurer's report. No new books have been purchased, but a few have been added by gift.

Respectfully submitted,

A. F. CHENEY,

Secretary of Trustees
